

Attention NC Medical Device companies!

Interested in taking your products to Europe? Join the North Carolina Department of Commerce, International Trade Division and MethodSense, Inc. for a discussion on:

The Medical Device Approval Process in Europe

August 31, 2012

10AM to 12PM

Golden LEAF Biomanufacturing Training and Education Center (BTEC)

NCSU Centennial Campus -- 850 Oval Drive, Raleigh, NC -- Room 135

In this seminar, we will discuss the process for registering medical devices in one of the largest and most diverse medical device markets in the world – Europe. We'll also share information on export assistance programs and resources available to all NC medical device companies.

We will cover:

- European standards for medical devices
- Registration requirements for medical devices
- Translation and labeling requirements
- Timeline and costs
- Export Assistance programs and resources
- Upcoming events including Medica 2012

Presenters:

John Loyack, Director of Global Commerce, North Carolina Department of Commerce
