## WHAT OUR MEMBERS ARE SAYING TESTIMONIALS

*"I'd been trying to introduce our corporate training capabilities to the appropriate person in Quintiles for almost a year without success. A quick chat with one of the top executives present at the Quintiles' event did the trick and I've finally had a positive response from the senior executive in charge of training. Many thanks to the Triangle BABC for opening the door on this one!"*

*"This was truly one of the best association events I have attended and I have decided to become a member. I am looking forward to attending future programs."*
