

# Plant Molecular Biology Consortium

## 2021 - 2022 Seminar Series

<p><b>October 11, 2021</b> <b>Motoyuki Ashikari</b> Nagoya University 4 p.m. EST (Virtual)</p>	<p><b>November 15, 2021</b> <b>Jenny Russinova</b> VIB and University of Gent 10 a.m. EST (Virtual)</p>
<p><b>December 6, 2021</b> <b>Keiko Sugimoto</b> RIKEN Center for Sustainable Resource Science 4 p.m. EST (Virtual)</p>	<p><b>January 24, 2022</b> <b>Markita Landry</b> University of California, Berkeley 4 p.m. EST</p>
<p><b>February 7, 2022</b> <b>Doug Allen</b> USDA/Donald Danforth Plant Science Center 4 p.m. EST</p>	<p><b>March 14, 2022</b> <b>Malcolm Bennett</b> University of Nottingham 10 a.m. EST (Virtual)</p>
<p><b>April 11, 2022</b> <b>Bill Gray</b> University of Minnesota 4 p.m. EST</p>	
<p><b>Location:</b></p>	<p><b>Zoom meeting details will be forwarded to registered attendees prior to the meeting.</b></p>
<p><i>The North Carolina Plant Molecular Biology Consortium, an exchange group of the North Carolina Biotechnology Center, sponsors this seminar series.</i></p>	
<p><b>Consortium Corporate Members are:</b></p>
